

# North Carolina Waterworks Operators Association

## 2016 ANNUAL EXHIBITS DAY

Your company is invited to participate on **Wednesday, September 28, 2016** in the **Exhibits Day Show** during the **North Carolina Waterworks Operators Association (NCWOA) 77<sup>th</sup> Training School**.

The operators training course will be held at the **Jane S. McKimmon Center, North Carolina State University, Raleigh, NC**, during the week of September 26-30, 2016. The Advanced Program for managers, superintendents and operators will be held in a session format on Wednesday, September 28, 2016. We anticipate between 300-350 water treatment professionals will be in attendance on that day, which coincides with Exhibits Day. You can clearly see the benefit of participating and taking advantage of this targeted audience.

The Exhibits Day show will be held at the McKimmon Center beginning at 8:00 a.m. and ending at 4:30 p.m. **We will be moving the Annual Business Meeting and Awards Presentation to lunch on Wednesday from 12:00noon to 1:30pm.**

**Your cost for a draped 8' x 10' booth is \$250.00 (non-refundable).** Included are one 6' covered table, a company sign, two chairs, two nametags, and two tickets to the Awards Luncheon. If there will be more than 2 exhibitors representing your company, additional tickets will be available for purchase on the day of the exhibits for a nominal charge of \$25.00 each.

Please consider this opportunity to share new equipment and products with waterworks personnel and participate in the program. **Complete the enclosed Exhibits Contract and submit it with your payment** as soon as possible and **not later than September 17, 2016**. **Checks should be made payable to N.C. Waterworks Operators Association (NCWOA).** **Space is limited to the first 30 exhibitors.**

We will be continuing the door prize drawings throughout the day. We would like each exhibitor to bring a door prize & during each of the breaks we will have everyone gather at a specific booth for that booth to draw a winner for their door prize. We plan to have at least 7 breaks. The more exhibitors participating, the more drawings we will have.

The 2016 sponsors and advertisers in last year's NCWOA Directory and 2015 Advanced Day Exhibitor participants will receive advance notification of this year's show.

A personal thanks for your past and/or future participation. If you have any questions or need additional information, please contact:
